### State Troopers Are Speakers At Lions Club

Members of the Greencastle Lions Club met Monday evening at the Lions Club Building for their semi-monthly dinner meeting. A turkey dinner was enjoyed by all those present, including George Irwin, a guest from the Fillmore Lions Club.

During a short business session, final plans were made for the Lion's annual visit to the County Home on next Monday evening, when the residents will be presented gifts and join the Lions in the singing of Christmas carols. It was also announced that another Dale Carnegie explanation meeting will be held at the High School Cafeteria at 7:31 p.m. on December 16th.

Art Zaring spoke briefly in behalf of the C.O.P. Community Action Program, during which time he enlisted the individual support of those present for the upcoming endeavors under the Economic Opportunity Act, in this three county area.

Lion Norman Pelfrey introduced Sgt. Don Bovenschulte and Trooper J. R. Burton, of the Indiana State Police, who presented the evening's program. They showed a film, "Death Out Of Darkness," which was made following the Palm Sunday tornado which struck in Indiana earlier this year. This excellent picture portrayed very vividly the tremendous destruction that resulted. The police officers also passed out along safely suggestions in the event of future tornadoes.

Greencastle Council No. 107, Royal & Select Masters, in regular Stated Assembly held Friday evening, December 10th, at the Masonic Temple, elected and installed the following officers to serve during 1966:

Ill. Master—John W. Schmitt, Dep. Master—Robert A. Ziegelman, Sr., Prin. Cond. of Work—Ralph Crousore, Treasurer—Frank T. McKeenan, Recorder—Estill Meek, Captain of the Guard—Wm. R. Alexander, II, Cond. of Council—Charles A. Lyon, Steward—Harry B. Eggers, Sentinel—Murray R. Lewis, Chaplain—Carroll D. W. Hildebrand.

Plans were announced and discussed for the conferring of the Degrees at the next Stated Assembly to be held January 14th, at which time it is expected there will be in attendance Companions from neighboring Councils. It is hoped there will be a good attendance at this and the future meetings of the year, which will not only encourage the new officers, but also stimulate the interest of all members in the welfare of all the bodies of the York Rite represented in Putnam County.

### U.S. Jets Hit Power Plant

SAIGON UPI — U.S. Air Force F105 Thunderchief jets today bombed the industrial complex on the outskirts of the North Vietnamese port of Haiphong. It was considered a major escalation of the war.

The American planes struck a thermal power plant only 14 miles from the vital city, which services the capital of Hanoi. They dumped 12 tons of 3,000-pound bombs on the plant but low clouds, dust and heavy smoke prevented an accurate assessment of damage.

The Air Force pilots reported heavy anti-aircraft fire but sighted no Soviet-supplied aircraft.

## Snowstorm On Way Eastward

By United Press International

A Great Plains storm plowed eastward with heavy snow today while another wintry blast brewed high in the southern Rockies. A freakish storm system that hammered southern California threatened a border area with flooding and was blamed for five deaths.

In South Dakota, where workmen were still whacking huge chunks of ice off electric transmission lines with baseball bats today, the toll of damage from last weekend's ice storm soared past the \$1 million mark.

Heavy snow warnings were in effect for northern Arizona and the western sections of the Texas and Oklahoma panhandles. Hazardous driving warnings extended into southeastern

and east central Kansas, northern Missouri and west central Illinois.

Snow fell during the night from the North and Central Plains through the Rockies to Arizona. Snow also fell from New England across the upper Great Lakes to Minnesota.

The U. S. Weather Bureau was issuing regular storm bulletins on the Great Plains storm and said a new center was forming in the southern Rockies.

Temperatures sank toward zero in Colorado and Wyoming in the wake of the Plains storm. The highest temperature reported in Wyoming Tuesday was 28 degrees at Evanston. Only two towns in Colorado got above the freezing mark.

## County Saddle Club Holds Annual Session

### Union Leaders Pledge Support

SAN FRANCISCO UPI — AFL-CIO leaders pledged solid backing today for any measures that President Johnson decides to use to win the war in Viet Nam.

A resolution, expected to get overwhelming approval from the AFL-CIO Convention, said the war in Southeast Asia was a Korean-style conflict that was part of a "Communist drive for dominating the world."

American defeat in Viet Nam might lead to Communist control of Asia and thus "gravely endanger" the survival of the United States, it said.

## Dr. Jones New Gobin Minister

### British Prime Minister To U.S.

LONDON UPI — Prime Minister Harold Wilson left today for the United States, where he is expected to announce an oil embargo against Rhodesia at the United Nations and confer with President Johnson on the Viet Nam crisis.

Wilson was to address the U.N. General Assembly Thursday, then meet with Johnson at the White House 24 hours later. Reports persisted in London and at the U.N. that Wilson would go before the Security Council to reveal the oil sanctions which could cripple the breakaway Rhodesian government.

Britain has been under heavy pressure by African nations of the 36-member Organization of African Unity OAU to take military action against the rebel Rhodesian government.

An embargo on oil deliveries to the former African colony, expected to have the full backing of the United States, could lead to the downfall of Rhodesian Premier Ian Smith.

### Space Age Thieves

TOKYO UPI — Police here have advised women to carry their handbags on the side away from the street because of a rash of modern-day thievery — motorized purse-snatching.

### Stimulating Talk

LINCOLN, Neb. UPI — When Gov. Frank Morrison made an unexpected visit to a small Sandhills community grade school last week, he figured to make a big impression on the students. He didn't know how big.

Tuesday the governor received a note from one of the students, a little girl named Dorothy. She wrote: "After you left, we went to the bathroom."

The appointment of Dr. Jameson Jones of Evanston, Illinois as pastor of Gobin Memorial Methodist Church has been announced by the office of Bishop Richard C. Raines of the Indiana Area of the Methodist Church. Dr. Jones is presently a member of the faculty of Garrett Theological Seminary where since 1961 he has served as Associate Professor of Religion in Higher Education and Director of Admissions. Dr. Jones has made frequent visits to Greencastle and DePauw, and in 1963 was guest preacher in the DePauw chapel.

Dr. Jones is a native of Kentucky, and is a Kentucky Colonel. He was educated at Vanderbilt University where he received his bachelor of arts degree in 1950, and his bachelor of divinity degree in 1955. Vanderbilt awarded him the Ph.D. degree in theology in 1965.

From his college days Dr. Jones has served offices in the Methodist Church on the national level. He was president of the National Conference of Methodist Youth from 1949 to 1953, and secretary of that organization in 1953-54. From 1954 to 1961 he served as Associate Secretary of the Department of College and University Religious Life of the General Board of Education of the Methodist Church. In 1951 he was Director of the National Convocation of Methodist Youth, and in 1952 he participated in the Christian Youth Conference of North America.

He holds membership in the American Academy of Religion, the Association of College and University Ministers of the Methodist Church, and in the National Association of College and University Chaplains.

Mrs. Jones, the former Bonnie Schultz, is the daughter of Rev. and Mrs. Arthur F. Schultz of Reinbeck, Iowa, where Mr. Schultz is pastor of the First Methodist Church. Mrs. Jones attended Northwestern University, and received the degree of bachelor of science in music education from Peabody College in Nashville, Tennessee. She has been active in church choirs both as director and soloist, most recently in Evanston and Wilmette, Illinois. Their children are Scott, eleven, Shelley, nine, and Gregory, five.

Dr. Jones will assume his duties at Gobin after April 1, 1966.

CAPE KENNEDY, Houston UPI—Gemini 6 entered a space orbit today six minutes after liftoff.

CAPE KENNEDY UPI — Gemini 6 astronauts Walter Schirra and Thomas Stafford leaped into space today on their third try and thundered into a brilliant blue sky toward orbit and a rendezvous with Gemini 7.

"The trajectory looks very good," officials reported as the capsule atop its Titan 2 booster rocket soared skyward, Gemini 7 astronauts Frank Borman and James Lovell were overhead less than 300 miles away.

"Looks good, looks good!" said flight director Christopher C. Kraft at mission control in Houston.

Within the first minute after liftoff at 8:37 a.m. EST, the booster rocket with its 18-foot capsule on top was speeding at 1,342 miles an hour and gaining speed.

The first stage of the two-stage Titan rocket separated on schedule. Everything seemed to be going beautifully after two heart-breaking "aborts" for Gemini 6 last October and again last Sunday.

CAPE KENNEDY UPI — Gemini 6 astronauts Walter Schirra and Thomas Stafford slipped into their capsule atop repaired Titan 2 rocket today and the countdown proceeded faultlessly toward liftoff and a rendezvous in space with Gemini 7.

As did each of the two previous times Gemini 6 was mounted and primed for firing, the countdown went off without a hitch. Liftoff was set for 8:37 a.m., EST in a partly cloudy sky.

Gemini 7 sailed on as the target in space for history's first meeting of two manned capsules almost 200 miles up.

A steak-and-eggs breakfast fortified the 42-year-old Schirra and the 35-year-old Stafford after they were awakened at 4:02 a.m. EST.

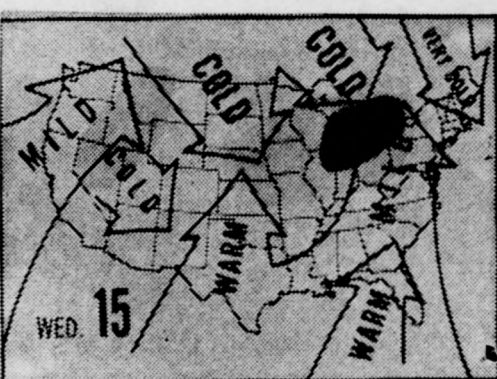

Gemini 7 entered its 160th orbit around the earth at 5:24 a.m., EST.

Borman and Lovell were almost directly over Cape Kennedy, as they would be later at launch time, when technicians started the termian countdown on the Gemini 6 capsule at 2:12 a.m., EST. Two hours later, the countdown was picked up on schedule on the Titan 2 rocket launcher.

SPACE CENTER, Houston UPI—At splashdown Saturday, Gemini 7 will have logged more than 5.7 million miles through space.

The distance would be enough to circle both the moon and the earth about 11 times, but only enough to travel about one-eighth the distance to Mars.

## Editorial-Wise A Christmas Day Letter

On Christmas Day a soldier in Viet Nam, dirty with jungle mud and blood, will tear open a letter from home. For a few moments he will forget his bone-aching fatigue, remembering boyhood days with his family and the excitement of getting and giving gifts.

The sour-sweat smell of barracks and the dank green odor of jungle camps will be replaced by the smell of white sheets on the old bed at home on Christmas Eve, the pungence of Christmas trees and the aroma of food from mother's kitchen. The illusion will be gone even before the letter is finished and that soldier will long for peace, more than you or I who have never lived on a battlefield can ever long for peace, and he may weep for a meaning that has gone out of his life.

As long as that soldier feels joy from no more than the reading of a letter on a battlefield, or has hope expressed as a longing for peace, or repents through tears for lost meaning, we know that God is alive.

most ably reviewed the book, "How Far to Bethlehem," by Norah Lofts, who is one of England's most successful novelists who has skillfully woven together the isolated stories of three wise men, and of Mary and Joseph, giving the traditional story of the coming of the Messiah a color, depth, and dimension never before attained in fiction. In the brilliant retelling of the most beautiful story of all times, Norah Lofts brings her readers a rare and exquisite literary experience.

Mrs. Mace Aker favored the group with a solo, "Joseph Dearest, Joseph Mine," accompanied by Mrs. Alfred Jeffers. Mrs. Meredith presented the club with twenty-three small books of Christmas carols. The

group enjoyed singing several of the songs lead by Mrs. Aker. Delicious and attractive refreshments were served from a beautifully appointed dining table. The Christmas Spirit was prevalent throughout the evening terminating on enjoyable occasion.

### Philip Willkie Is Not A Candidate

INDIANAPOLIS UPI—Philip H. Willkie, son of 1940 Republican presidential nominee Wendell Willkie, was back in Indiana today, content with serving as a precinct committeeman and no longer a candidate for the New York congressional seat vacated by Mayor-elect John V. Lindsay.

"I am back home again in Indiana to resume my life as an attorney and president of the Rushville National Bank after a three-week foray into the New York political wars," Willkie announced Tuesday night.

"The name angle was the only reason for throwing me into the 17th congressional district race," Willkie observed.

He recently announced he would run for the nomination. He explained that he and his

WASHINGTON UPI — Rep. John V. Lindsey, R-N.Y., New York City's mayor-elect, believes that Congress discriminates against Americans who live in big cities.

As an example, he cited the

Ruins Finesses

By Alfred Sheinwold

"Whom do I have to know to win a finesse?" South demanded gloomily after he had misplayed today's hand. "Finesses work for other people. Why not for me?"

South got very little sympathy from his opponents and even less from his partner, because that is the nature of bridge players. Still, if he had played the hand less hastily he could have been bragging instead of complaining.

South won the first trick with the ace of spades when East put up the king. Declarer led a diamond to dummy's jack to return a heart, losing a finesse to the king. Back came a diamond to dummy's queen, and South tried another heart finesse, losing again.

West returned a heart this

time, and South won with the ace. South cashed the ace of diamonds and led a diamond to the king to try a lead to the queen of clubs.

### CLUB LOSES

The queen of clubs lost to the king, and back came a club. South's last chance was to take the ace of clubs and try a finesse with the ten of spades. This fourth lost to the jack, and South wound up down one. South could and should make

the hand by taking three rounds of diamonds before taking the first heart finesse. West wins but cannot make a safe return. Whether West returns a spade or a heart or a club, declarer gets a free finesse for his ninth trick.

### Highly Mobile Force Sought

PARIS UPI — The United States is pushing a plan to create a crack, highly mobile Allied force to deal swiftly with "brushfire" emergencies in Europe, U. S. sources said today.

They said Defense Secretary Robert S. McNamara may introduce the plan at the current Paris meeting of ministers of the North Atlantic Treaty Organization NATO. Britain is known to support it.

McNamara also was expected to urge the Allies to reach early agreement on NATO's military goals for the next five years. Discussions on the size of the force have been going on for some time, but no agreement has been reached yet.

The three day NATO meeting started Tuesday. Defense was scheduled as the main topic today.

American sources said the McNamara plan would involve a buildup of the existing 3,000-man NATO mobile force created to deal with emergencies on the alliance's northern and southeastern flanks.

They said the McNamara plan calls for a force capable of dealing with "brushfire" situations anywhere in the NATO area.

This would mean the force would have to be entirely self-contained, with its low logistic and air support. Existing mobile units are dependent on national air forces for ferrying troops to northern Norway or Turkey in case of acute emergency.

The McNamara proposal was said to be part of an overall plan to have U. S. Allies take over a large share of Western defense in Europe.

Viet Cong losses were far heavier. The report said 1,084 Communists were killed and 148 captured. There was no estimate of the number of enemy troops wounded and carried away by comrades.

## COATESVILLE NEWS

by Joe Davidson, Correspondent

Mrs. Bonnie Coopridge and small son have been in the hospital all the past week. Mrs. Coopridge has been quite ill with pneumonia.

Reverend and Mrs. John Deal of the Methodist Church attended the graduation of their son from the Great Lakes "Boot" Camp.

Dr. Robert Newton of De Pauw University occupied the pulpit in Reverend Deal's absence.

There are not many more days until Christmas. Do you have a sufficient number of holiday cards for your many kin-

men, neighbors and friends? Do you have names and addresses at hand with postage and TB stamps ready to make each message ready to go? Good organization is more than half the battle. With your work well managed you can have fun in wishing folks a Merry Christmas and a Happy New Year.

Reverend Clyde Lininger, who resides on his farm in the Canaan neighborhood was painfully injured a few days ago when he had a fall from his farm tractor. A bone in his left ankle was split lengthwise. The limb was put into a cast and the minister will be on crutches for the next four or five weeks.

Mrs. Doris Runnells and daughters were callers Sunday afternoon on Mr. and Mrs. Jack Hinsley and family at West Newton.

With all this fine sunny weather, has not someone said: "We'll pay up for this; mind my words."

An aged German farmer of Patrickburg had a brighter and better outlook. Said he: "It is just so many days from now until spring. Every good day we have is one less bad one to be endured."

The Coatesville Community Kindergarten was stirred to unusual excitement Monday when a Christmas tree was carried

into their room for them to help decorate.

The south side of town has seen and smelled smoke a number of times this week for the weather was ideal for burning off gardens that had acquired more than their share of foxtail and other grasses and weeds.

Mr. Harmon Hathaway received word Friday morning that his son Rex, of Indianapolis, become ill suddenly during the night and was taken to a hospital where he underwent an appendectomy.

Miss Joanna Runnells, a niece has gone to the Hathaway home to help while Rex remains in the hospital.

Mr. and Mrs. John Bottorff of New Washington, Indiana, were callers Wednesday morning on his uncle and aunt, Mr. and Mrs. Jack Bottorff.

Mr. and Mrs. Jack Bottorff were Christmas shopping in Terre Haute Monday. Tuesday they drove to Indianapolis, accompanied by Mrs. Lula Berry and Mrs. Inez Kiser of Danville.

The Cascade Cadets tangled with the Danville Warriors Friday night at the Warrior's gym. From all accounts it was a nip and tuck affair from first to last. At the half way stop, Cascade was leading by a point, 28-27. When the gun ended the fray, the score was tied at 58-

58. In the overtime period that followed, the Cadets scored 6 points to the Warriors' 2 and the game belonged to Cascade 64-60. One Cadet player scored 26 points and a Danville lad dropped in 25.

Unseasonably warm weather has brought several dandelions to bloom in a Coatesville backyard during the week, and has also produced a nice big oyster mushroom on the side of an ancient block of wood. Dandelions belong to the composite family of plants, a family considered to be one of the most successful on earth.

From the size of the score it appears that the Cardinals of

Fillmore were "took" when they encountered the Clovers at Cloverdale Friday night. Could be that it was an off night for the Cardinals or too much "mow room" in the new gym, or something or other. Anyway, they were behind by seventeen points when the gun ended the game. There are lots of games ahead and maybe next week's game will end on a happier note.

Mrs. Bonnie Coopridge, who has been a patient in the Hendricks County Hospital for the past two weeks was much improved in health and hoped to be in her home Saturday.

(Continued from Page 8)  
Fountain Central Saturday night by a rather impressive score. The final count was Cadets 55 and Fountain Central 71. The lads from near Veederburg were fast, had good size and worked the ball in well for good shots. They had a sticky defense that kept the Cadets guessing and they were good rebounders. They had too much stuff for our home team.

Cascade has a flock of very tough games ahead, and they will be fortunate if they can break even on the following: Edgewood, Fillmore, Brazil,

Greencastle, Granville Wells and Thortown. Remember, fans, that Cascade has no big and experienced squad as they had a year ago.

Mrs. Laura Biehl will be hostess to the Friday Club, December 17, at two o'clock.

Mrs. Joe Davidson was hostess for the Christmas luncheon of the Dorcus Circle of the WSCS last Tuesday. Twelve members and two guests were present to enjoy the luncheon and the gift exchange. Mrs. Laura Biehl read the devotions, after which a short business session was conducted.

Mrs. Clova Elrod passed away at the Putnam County Hospital

Saturday evening. Mrs. Elrod was past eighty and had recently suffered a stroke. For many years she and her husband, Claude, farmed southwest of Coatesville, and both were well known in Greencastle, Coatesville and Stilesville. Her husband preceded her in death a few years ago. After his death, she chose to remain in her farm home.

There are two children left to remember her, Frank, who lives near by, and Mrs. Lucille Buis who resides on the Greencastle-Stilesville road.

Mrs. Elrod was a jolly soul to the wide circle of neighbors, club members and friends who

knew her. She was a wonderful cook and housewife and it was always a happy experience to meet her in her home.

## Civil Rights Groups Worried

WASHINGTON UPI — Negro groups are worried the Johnson administration is downgrading its civil rights effort.

This fear came to light following the resignation Tuesday of Calvin Kytte as acting director of the Community Relations Service (CRS).

Kytte didn't say so, but rights leaders believe he is quitting because the administration plans to move the CRS out of the Commerce Department to the Justice Department.

Some civil rights leaders have publicly protested the shifting of the agency, set up under the Civil Rights Act of 1964 to smooth racial problems, to the law enforcement section of the government.

CRS officials also are known to oppose the move for fear it would hinder the agency's operation.

Opposition to moving the CRS from Commerce to Justice

has arisen on two other fronts:

—Professional conciliators believe the service's reputation as a peacemaker will suffer if it is made part of a law enforcement agency.

—Negro groups think the CRS has developed into a more aggressive champion of civil rights than the Justice Department. They say that moving the CRS over to Justice would be one more step toward downgrading the government's civil rights effort.

## Business Highlights

WASHINGTON — Testimony before Rep. Wright Patman's

The Daily Banner, Greencastle, Indiana  
Wednesday, December 15, 1965

House-Senate Economics Committee revealed a split in the Federal Reserve Board on the recent decision to raise the discount rate.

Sherman J. Maisel, named to the board last spring by President Johnson, said the majority acted "at the wrong time and for the wrong reasons." But Chairman William McChesney Martin said it would have been too late to head off inflation if the Fed had waited until January to lift the discount rate.

NEW YORK — Steel output

spurred 2.5 per cent last week on top of a 2.7 per cent gain the week before. However, the output of 2,629,000 tons for the week was below that of a year ago.

NEW YORK — Robert Kintner will continue as chairman of National Broadcasting Co. division of Radio Corp. of America but his successor as president, Walter D. Scott, will be chief executive of the network, it was announced. Previous, Kintner had appeared ready to leave NBC altogether.

# Gary Roosevelt Toss UPI List As Indiana High School's No. 1 Team

INDIANAPOLIS UPI — A wholesale reshuffle of the Indiana high school basketball elite placed Gary Roosevelt at the top of the UPI coaches' board ratings today.

The Panthers of coach Bob Mallard, state tourney finalists last March, moved up from a second-place tie to replace South Bend Central at the helm of the heap with a 5-game winning streak through last weekend.

Four newcomers made the "Big 10" this week, also the final state-wide ratings of the board until after New Year's. And no member of last week's elite managed to retain its position.

The newcomers were Michigan City, Richmond, New Albany and Columbus.

The Gary quintet grabbed 9 of 18 first-place votes and totaled 137 points.

South Bend Central, No. 1 last week, slipped to the runnerup spot following its 73-69 home loss to Michigan City, which climbed all the way from 12th to fourth behind Gary Froebel which was fifth last week.

Defending state champ Indianapolis Washington, beaten only by the South Benders in its first six games, slipped from fourth to fifth to complete the "big 10" upper bracket.

East Chicago Washington, a perennial power which knocked Indianapolis Attacks off the perfect roster last weekend, climbed from 10th place to sixth place; unbeaten Richmond from 11th to seventh; New Albany from 14th to ninth; and Columbus from 16th to 10th.

## Good Season

FORT WORTH, Tex. UPI — Back in August, when most southwest conference coaches were painting drab pictures of the forthcoming football season, Texas Christian's droll Abe Martin proved the exception.

Martin, who has just completed his 13th season as his alma mater's head coach, voiced one of his usual folksy observations about his young, inexperienced outfit when he said:

"Aw, I don't think they'll embarrass us."

It turned out to be a very prophetic statement because, after losing three of its first four games, TCU won five of the last six, tied Texas Tech's Gator Bowl - bound Raiders for second place just two games back of Cotton Bowl - bound Arkansas.

## West Is First to Hit 1,000 Points

NEW YORK UPI — Jerry West of the Los Angeles Lakers was the first National Basketball Association player this season to top the 1,000-point mark, and he leads the league with 1,054.

According to NBA statistics released today, Wilt Chamberlain of Philadelphia is in second place with 842 points scored in seven fewer games. Next in line are Cincinnati's Oscar Robertson 802, New York's Dick Barnett 788 and Baltimore's Don Ohl 726.

## Jackie Robinson, Tom Harmon On Honor Team

NEW YORK UPI — Baseball hall of fame Jackie Robinson and Tom Harmon, one of the most famous running backs in the history of college football, were among the 25 distinguished former athletes selected as winners of the Sports Illustrated Silver Anniversary All-America awards announced today.

Robinson, who played his college ball at UCLA, and Harmon, a two-time All-America at the University of Michigan were the most prominent names on the 10th annual list of award winners chosen "not for sports performance but for exceptional accomplishment in life in the 25 years since their senior college gridiron days."

Robinson, the only four-sport letterman at UCLA, where he was a dazzling triple threat back, has had a successful career in business and banking. He has been a leader in the civil rights movement since his retirement from baseball, a field in which he broke the unwritten color line.

Harmon, known nationwide as "Old 98" for his exploits on the football field, won the Heisman Trophy in his senior year and since his graduation he has become one of the best known and highly regarded sports announcers in the radio and television industry.

# DPU Alumnus Named to Silver Anniversary Team

For the fourth time in four years DePauw University has named an alumnus on Sports Illustrated's Silver Anniversary All-American Award team.

Dr. Robert J. Nelson, class of 1941, is the latest DePauw nominee to take his place on the team honoring 25 senior collegiate football players of 25 years ago.

Presently professor of systematic theology at Boston University, Dr. Nelson, as were

his colleagues, was nominated by his alma mater for great accomplishment in life since graduation.

Nelson, who was a letterman fullback for the 1939-40 Tigers of Raymond Neal, will be featured along with his 24 "teammates" in the December 20 issue of the sports magazine.

Scholar-athlete of the class of 1941, Dr. Nelson later earned the B.D. cum laude from Yale in 1944 and served afterwards

with the Marines as a chaplain in the Pacific.

In 1957, after serving as executive secretary for the Commission on Faith and Order for the World Council of Churches, Nelson became dean and professor of theology at Vanderbilt University's divinity school.

Later assignments included lectureships at Princeton Theological Seminary, Leonard Theological College in India, and a three year assignment at Oberlin College's Graduate School of Theology. He joined the Boston University faculty this fall.

Other DePauw alumni who have been honored by Sports Illustrated's illustrious Silver Anniversary All-American Award team include Dr. John Oswald, president of the University of Kentucky; Rev. Ray Montgomery, minister of the Speedway Christian Church; and Dr. Max Bartley, Indianapolis ophthalmologist.

## DePauw, Ind. State Play Tonight at Terre Haute

The unpleasant assignment of tackling one of Hoosierdom's undefeated basketball teams awaits DePauw University tonight in Terre Haute.

Tipoff time for the Indiana Collegiate Conference opener for both clubs is 8 p.m. Action from the mammoth ISU arena, which is expected to be overflowing, will be broadcast by WTHI-AM, WBOW-AM, and WISU-FM.

The 4-0 Sycamores bring to tonight's battle a 4-0 record, put together against Illinois State 103-87, Manchester (102-94, Indiana Central 82-69 and Anderson 67-65.

Though their last outing was a scant two-point Tiger coach Elmer McCall conceded it was "one of the finest played basketball games I've ever seen."

The Sycamores' balanced attack features four players averaging in double figures, a devastating .531 team field shooting average, and a team mark of .727 from the free throw line.

Leading the Sycamores in scoring are 6-6 sophomore center Jerry Newsum, who is averaging 24.5 per game and 12.3 rebounds, and 6-4 junior all-ICC forward Butch Wade. Wade is hitting 22.3 per game.

Also producing points regularly for State are guards Curt Crittendon, claiming 11.0 per game, and transfer Jim Crone, third in the point race with 12.8.

DePauw takes a 3-2 record into the ICC tilt. Its two all-ICC second team forwards, Stan Bahler and Morgan Everson, finally bounced back into scoring form last weekend. Everson hit 27 and Bahler got 24 in the 91-77 romp over Wheaton.

## GHS Wrestling Tiger Cubs Defeat Brazil Team 40-3

The Greencastle High School wrestlers closed the first part of their season with a 40-3 victory over Brazil. The added interest brought about by having the entire student body cheering for them helped the Cubs set a new varsity record of 40 points. The meet was held at 2:30 Monday afternoon during a school convocation.

Wrestler of the week was pushed the quickest pin of the

season even lower with a pin in 41 seconds of the first round. Louie has greatly improved.

Coach Chance was especially impressed with Steve Mont who

was filling in for Tom Scholl who has been out of town and sophomore Steve Bonney who filled in at the 133 pound class. Both boys won by pins and looked very good in winning.

John Erdman wrestled and beat one of the toughest boys in our area, 9-3. John has been working very hard and is developing very quickly.

Larry Hutson pinned one of his biggest competitors of last year in one minute of the second round. David Moore, Gary Huber, David Robbins and Jim Rolls all remained undefeated for the season with decisions in their respective classes. Nine varsity boys are unbeaten.

The next meet for the Cubs will be on January 6th at home against Mooresville. Reserve matches will begin at 6:00 and the varsity action will start at 7:00.

Results: Greencastle 40; Brazil 3.
